

## BOARDING AND GROOMING POLICIES

Please read and initial the policies below. Your signature at the end of the form indicates that you accept these policies and understand the reason behind them.

\_\_\_\_\_ I understand that I will not be able to board or groom my pet unless he/she is **current on an exam, annual vaccines, and a fecal check**. BEEVET will update any exam, vaccines, and fecal checks required and I am financially responsible for these services. A full exam will always accompany a rabies vaccine.

\_\_\_\_\_ I understand that all pets are required to be **free of internal and external parasites** (fleas, ticks, lice, mites, worms) prior to boarding. If my pet is found to have any contagious parasites, BEEVET will administer the needed treatments and I am financially responsible for these services.

\_\_\_\_\_ I understand that I may provide soft chews or treats, but that **toys are not allowed in kennels** as they are potential choking hazards

\_\_\_\_\_ I understand that blankets/bedding will be provided for my pet by BEEVET and BEEVET **will not accept any bedding** that I provide.

\_\_\_\_\_ I understand that if my pet has medications that need to be administered during their stay, I will be subject to a **\$5.00 per day Medication Administration fee**.

\_\_\_\_\_ I understand that **my pets will be boarded together in the same kennel only if I specify**. BEEVET is not responsible for any injuries incurred while boarding in the same kennel and if my pet is injured I will be financially responsible for treatment.

\_\_\_\_\_ I understand that **if I drop my pet off for boarding without a reservation, OR I do not pick up my pet from boarding on the specified reservation date then I will be charged an additional fee of \$25/night (or \$50/night during peak seasons)**.

\_\_\_\_\_ I understand that **if I drop my pet off any time within an hour of closing on the day of my reservation there will be a late fee of \$11.50/pet**.

\_\_\_\_\_ I understand that **if I schedule my boarding reservation during the weeks of Thanksgiving, Christmas, New Year's Day, Spring Break, Independence Day and Labor Day, peak season rates may apply**.

\_\_\_\_\_ I understand that **if my pet becomes aggressive while boarding and requires special handling then I may be charged an additional special handling fee**.

**DOGS** - All dogs are required to be vaccinated against Canine Distemper, Hepatitis (Adenovirus Type 2), Leptospirosis, Parainfluenza, and Parvovirus (DAPP + L) within 1 year. Rabies vaccination must be up to date within 1 or 3 years as specified by the Texas Department of State Health Services. Bordetella vaccination is required within six (6) months. **The Canine Influenza vaccination is also required yearly for all dogs entering the BEEVET boarding / grooming facility.**

**CATS** - All cats are required to be vaccinated against Feline Viral Rhinotracheitis, Calicivirus, Panleukopenia, Chlamydia Psittace (FVRCP). Rabies vaccination must be up to date within 1 or 3 years as specified by the Texas Department of State Health Services. The Feline Leukemia vaccination is not required for boarding. However, we highly recommend testing and vaccinating all cats.

**\*All pets vaccinated at other animal hospitals must submit records five days prior to boarding via fax or e-mail:

I certify that I have read the policies and procedures list provided to me by BEEVET Animal Hospital. The hospital and staff will NOT be held liable for any health or behavioral problems that develop provided reasonable care and precautions are followed. I understand that ANY problem that develops with my pet while I am absent will be treated as deemed best by the veterinarian and I **assume full responsibility for the treatment expense involved**.
